

## **THE BEACH CLUB**

- VIVO Beach Club is a lively oceanfront destination designed for people of all ages featuring an outdoor beach club and pool, unique restaurants and bars, a convention center, shops, music venues, and a full-scale brewery. VIVO offers a modern atmosphere with great food, drinks, shops, music and ocean views. All perfect ingredients for a great Caribbean experience.
- The Beach Club is the heart of our entertainment complex. An informal yet stylish outdoor venue with a modern design, festive atmosphere, and a variety of live entertainment.
- VIVO is positioned a few steps from the waves of the award winning beach of Isla Verde. Isla Verde is one of the few beaches in the Caribbean with Blue Flag ranking. Blue Flag Certifications are awarded by the Foundation of Environmental Education (FEE) when a beach meets the stringent standards of water quality, safety, sand quality and environmental protection.

## **Restaurants & Bars**

- VIVO's beachfront restaurants will offer a delightful array of dining choices designed to tempt everyone's taste buds. With different restaurants serving a variety of local and international cuisine, VIVO will surely be one of the top dining destinations in Puerto Rico. The diversity, innovation, and taste of the food and bar offerings will make customers want to return to the complex repeatedly.

## **Ocean Lab Brewing Company**

- Ocean Lab is one of the few micro-breweries in the Caribbean. The facility will have state of the art equipment that will be capable of producing a variety of craft and specialty beers. You will not find fresher beer in the island. "Born on the beach, for the beach"
